Dear members of SGMS:

May I remind you that we are celebrating this year our 10th anniversary ?

For such occasion an out-standing meeting has been set up and will take place at the Ecole Polytechnique Fédérale of Lausanne during the days September 30 till October 2, 1992.

The details about this meeting have been already sent to you last February.

For those who still wish to present a poster (board size : 180x120 cm), the deadline for sending a short abstrat (max. one page) is 1.07.1992. This should be mailed to : Dr. D. Stahl, ICP-I, E.P.F.L., CH-1015 Lausanne.

If you don't find the registration form which was also mailed to you previously, please contact Dr. D. Stahl also.

./.

From the decisions taken at our last General Assembly, it has been decided that the 1992 annual fee for the SGMS membership will be SFr 25.--.

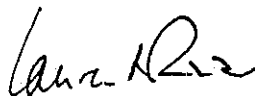

I am now sollicitating you for the paiement of your membership fee without delay by using the enclosed postal sheet. Thank you in advance for a prompt answer.

Finally, I have to inform you about the "9èmes Journées Françaises de Spectrométrie de Masse à Metz, France" from September 22 to 24, 1992.
