Location

Once again, the Committee had to choose the location of our annual meeting.

The questionnaire (26 returned) showed a preference for the Rigi (50%). Some of you proposed a central town, Bern or Neuchâtel. However, we believe that such a meeting should be held in a rather isolated place providing both accomodation and lecture room. This is not to be found in the centre of a town. More important, it appeared to us that our meeting, thanks to the appreciation of our guests from abroad, is getting renown as the "Rigi MS Meeting" and even people who have never attended it are acquainted. For these reasons, it seemed important to us to maintain it on the Rigi and we trust that you will join our conclusions.

We decided to hold it early in November, later than usual, to avoid conflicts with other swiss society meetings and school holidays.

Finally, we apologize for the delay in announcing it.

Free Communications

We would like to point out 2 aspects of this important part of our meeting:

firstly, in our opinion, this type of meeting is an excellent opportunity for young researchers to present their results: it is not an international meeting and there is no publication. Therefore, it is an ideal way of practising giving a public talk. We hope that as many Ph.D. students as possible will take advantage of it,

secondly, the abstract booklet is the only trace which will remain after the meeting. Please, do not "forget" to send your abstract. In the future, these booklets will represent the record of our scientific activities.

Programme

Friday, November 8, 14.30 - 18.00

Invited Lectures:

H. Morris (London) : MS of large bio-molecules
J.F. Muller (Metz) : Laser desorption
H. Brandenberger (Zürich): Applications in toxicology
provisional : The ion trap

18.15 - 19.00

GENERAL ASSEMBLY

19.00

Apéritif, buffet-dinner

Saturday, November 9, 08.30 - 13.00

Free oral and poster communications

Concluding remarks

The final programme and the abstract booklet will be distributed at the meeting.

Oral Communications

The time allotted is 20 min., including a period for discussion

Posters

This year, poster sessions will be organized. Poster size is 150 cm wide x 120 cm heigh.

Abstracts

Those who wish to present an oral communication or a poster are requested to submit a short abstract with authors' name and address before October 11 to:
Dr. H. Milon, Nestlé Res. Dpt. (Labiol), 1350 Orbe.

Registration fee

Free. The dinner is included in the room rate.
However, we ask you to register by returning the attached form before October 11.

Accommodation

You are requested to make your own reservation directly at the Hostellerie Rigi, 6356 Rigi-Kaltbad (LU) (tel.:(041)83.16.16), specifying clearly that you are attending the SGMS meeting.

A block of rooms has been reserved. The special rates are (per person): single: frs. 95.-, double: frs. 80.-. These rates include buffet-breakfast, buffet-dinner and free access to the in-door swimming pool.

Travel information

Registered participants will be entitled to reduced fares (frs. 16.60 instead of 22.-) on the cog-railway from Vitznau or on the cable-car from Weggis. Present this programme to the respective ticket office (not valid from Arth Goldau).
